

Project 1: SAT & ACT Analysis

Project by: Rex Chang

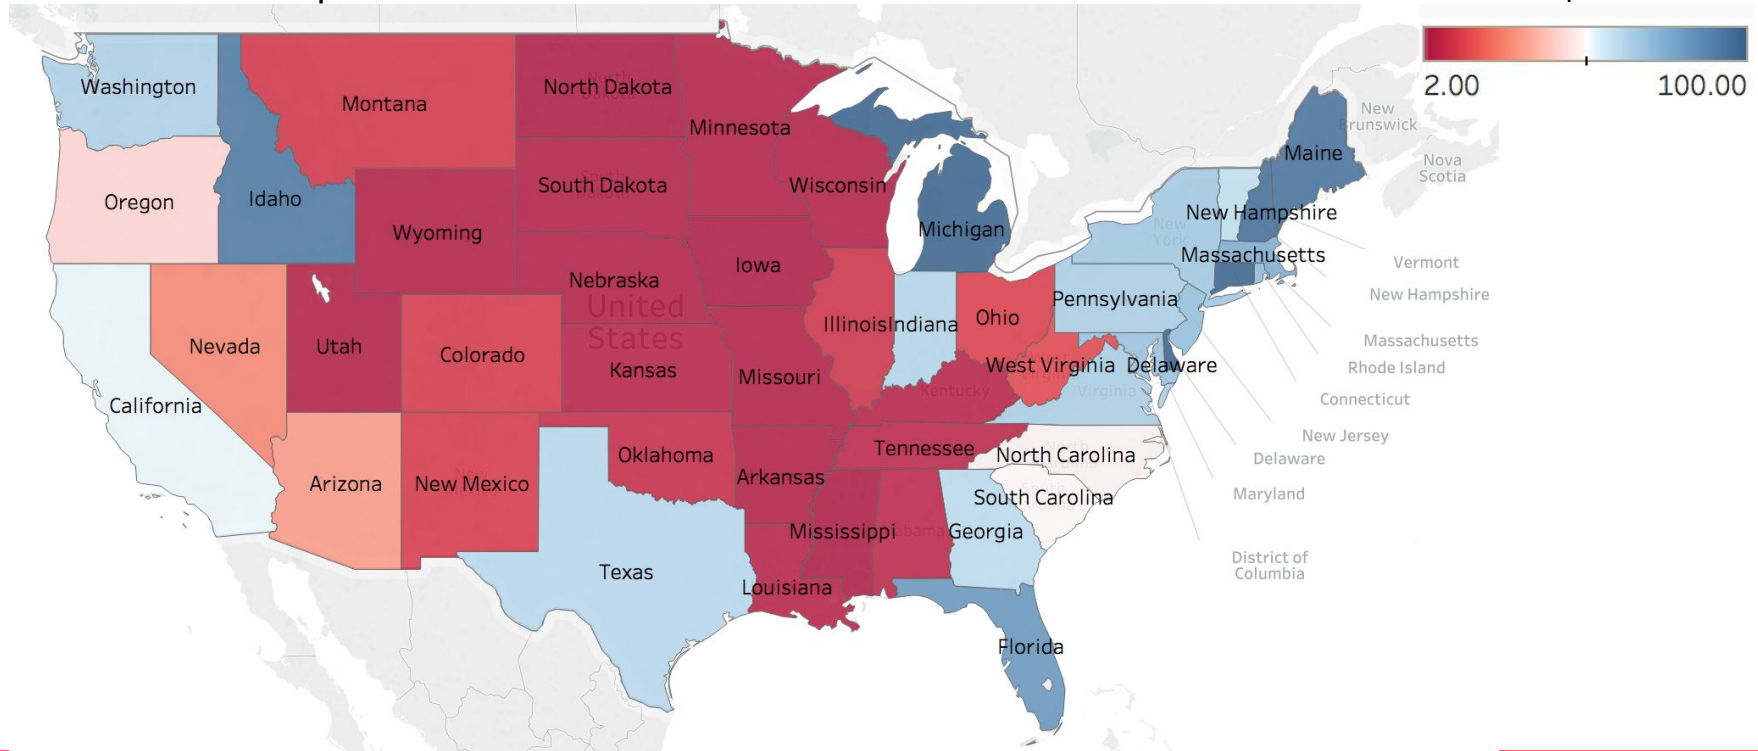

Problem Statement - Why are we here

The participation rate in Colorado increased dramatically, why ?
benefit applying the strategy into the states that has low participation rate in SAT?

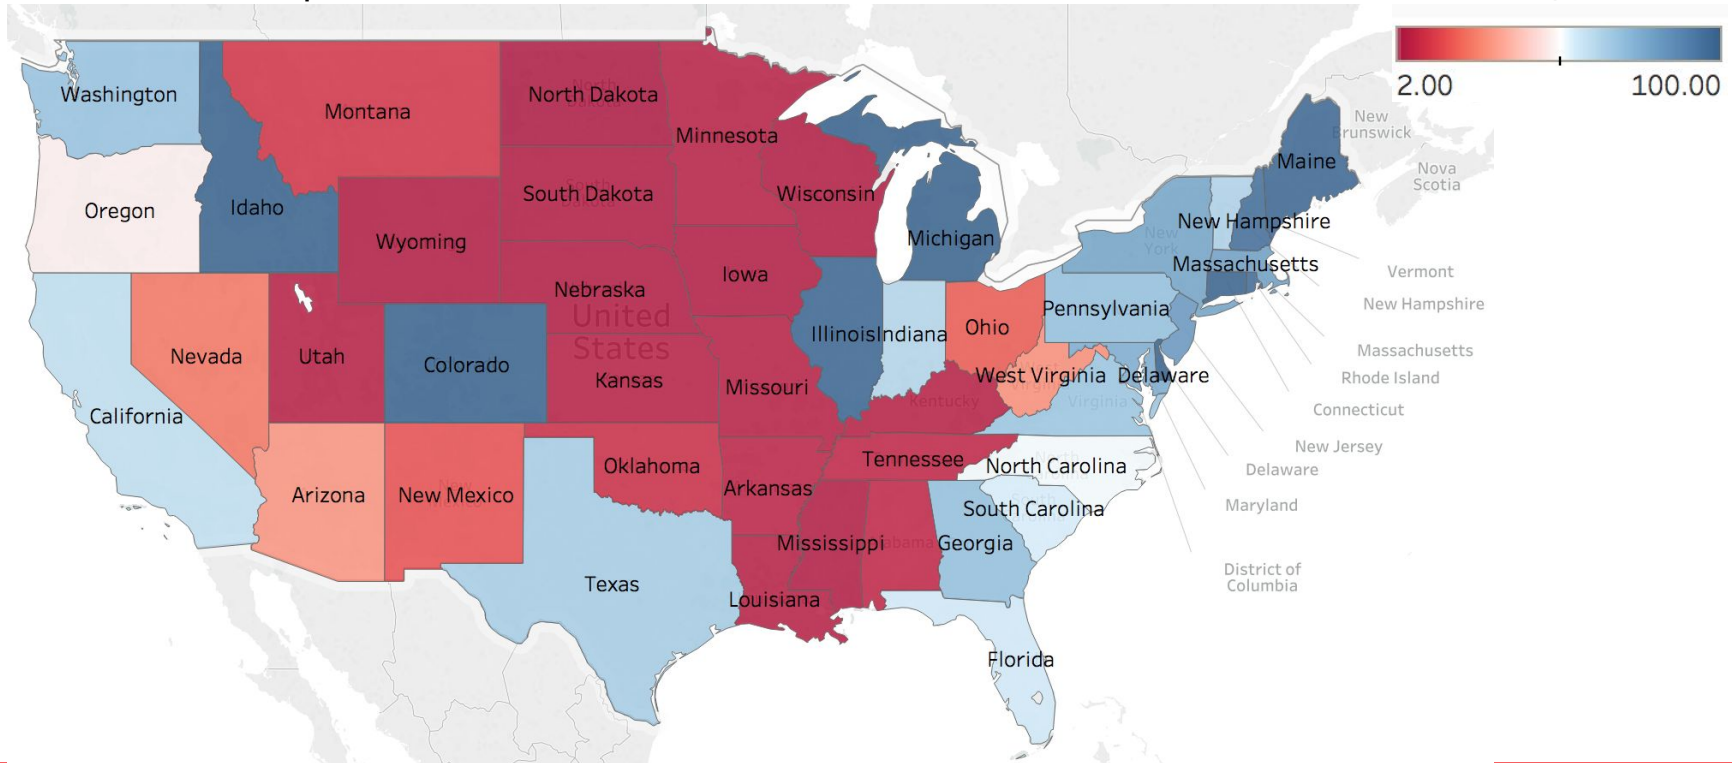

Location

2017 SAT Participation Rate

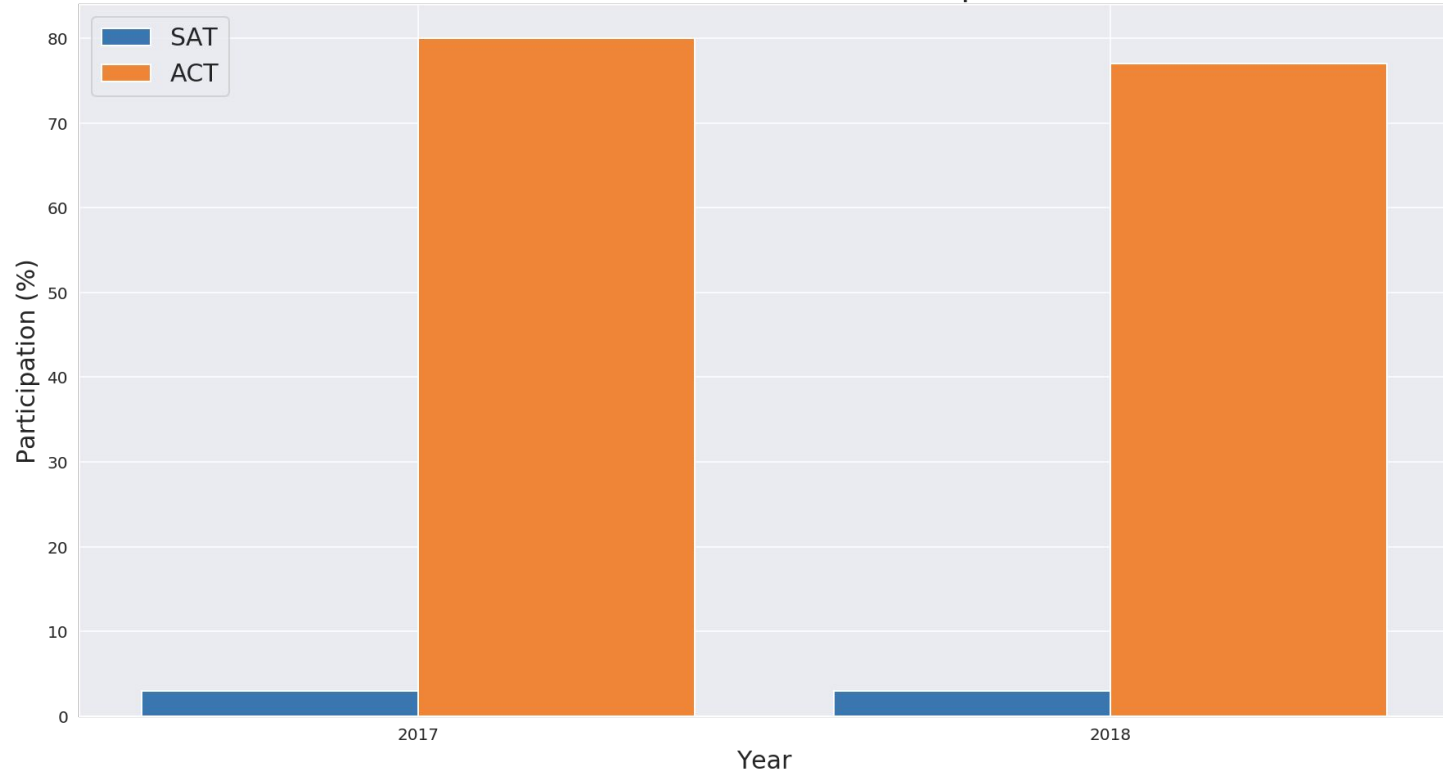

Location

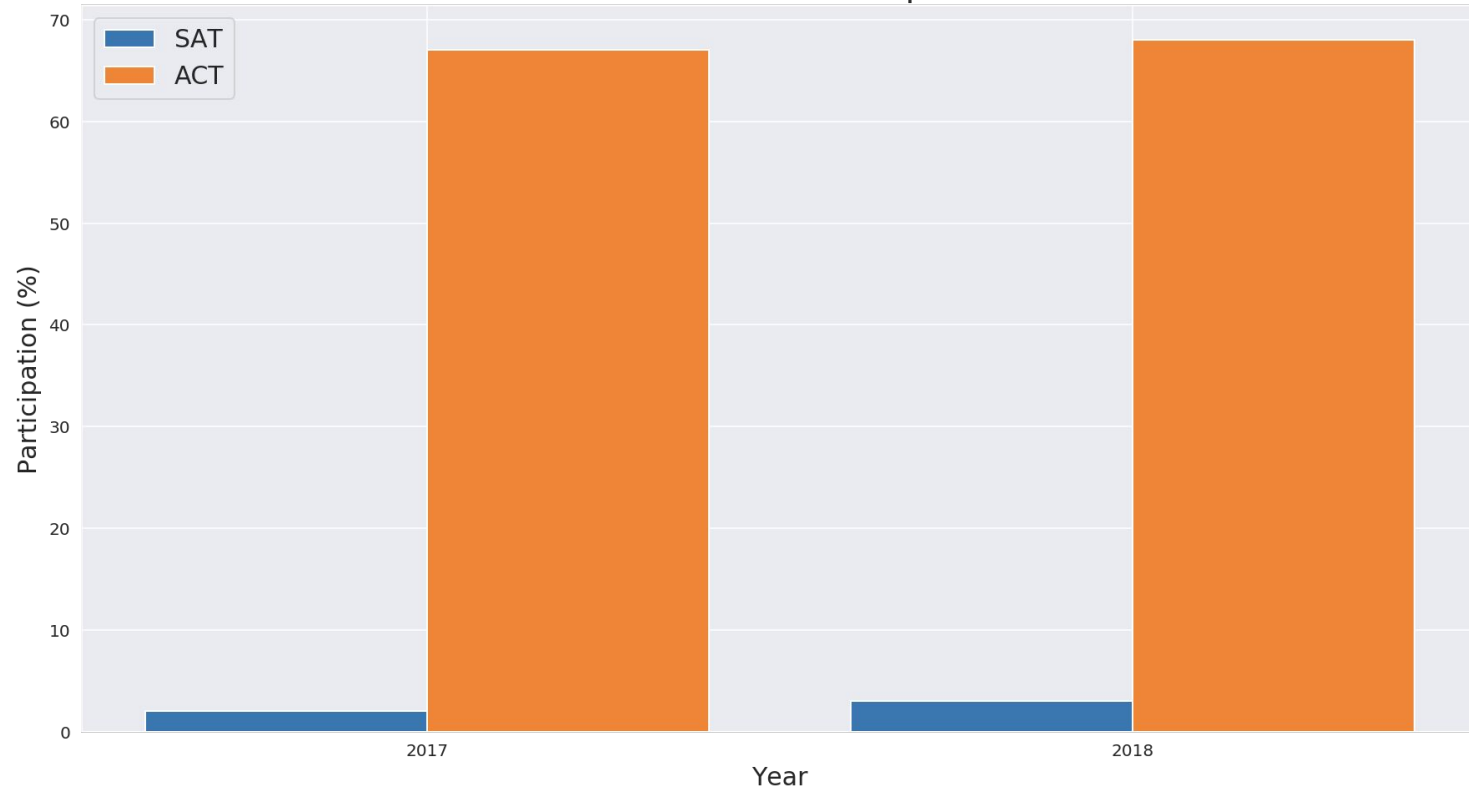

2018 SAT Participation Rate

South Dakota's SAT and ACT Participation Rate

Iowa's SAT and ACT Participation Rate

Conclusion & Benefit

- Target the Midwest and South
 - Encourage mandatory requirements for SAT
- Flexible Time Management
 - Extracurricular Activities
- Higher Opportunity to lower income areas
 - Free Testing
 - Khan Academy

Thank you!
